“Noir Adventure & Romance,” an Adventured-Based e-Reader App from Voltage Inc’s San Francisco Subsidiary has been Released Worldwide! First Title from the App, “Edge Case Machina,” Out Now!

Voltage Entertainment USA, Inc., an American-based subsidiary of Voltage Inc., has produced a new e-reader app called “Noir Adventure & Romance” to be released worldwide as of June 1st 2021.

Entirely planned and developed at the San Francisco offices, the app also known simply as “Noir” is aimed at female English-speaking audiences. Featuring visual novel-style stories with game elements (such as puzzle-solving), the adventure theme sets it apart from the company’s traditional romance-based offerings.

In accordance with the launch comes the app’s first title, “Edge Case Machina.”

The reader becomes a heroine who joins an investigative team called “D.I.V.A.A.” while on the trail of her missing father. As an agent, readers will take on cases, solve puzzles, and root out criminals in this thrilling cyber adventure.
