New Title Release: “Oops, I Said Yes?!” Coming to English e-Reader App “Love 365: Find Your Story”

Voltage Inc. has announced a June 16th, 2021 release date for the 56th title in its English language e-reader app, Love 365: Find Your Story (hereafter, Love 365), which specializes in romance for female audiences.

Since its inception in November 2017, Love 365 has produced numerous titles, achieved sales targets, and otherwise expanded at a steady pace. Since June 2020, it has featured a multi-language function that allows users to play in both French and German.

"Oops, I Said Yes?!" is an English translation of the recent March 2021 release in its Japanese sister app, 100 Shiin no Koi+, under the title of "Ukkari-kon~ Mezametara, Wakeari Joshi no Tsuma Deshita." One drunken night, the heroine marries her boss, and what starts as a marriage of convenience turns into a delightfully thrilling story about falling in love.
