

Glamorous Romance with Hot Celebrities, Now on the Nintendo Switch™!

“Seduced in the Sleepless City”

Arrives Thursday, October 20th!

Voltage Inc. (Headquarters: Shibuya, Tokyo/Acting President: Yuzi Tsutani) has announced an October 20th release date for “Seduced in the Sleepless City” to debut on the Nintendo Switch™.

Dating the handsome celebrities of Seduced in the Sleepless City means romance, luxury, and a hint of thrill. First released on feature phones via a monthly subscription service in September 2010, SitSC now celebrates its 12th anniversary, making it one of Voltage’s longest and best-loved titles. While currently available on the romance story apps “Love 365: Find Your Story” in English and “100 Shiin no Koi+” in Japanese, these tales will now find audiences new and old alike on the Nintendo Switch.

The Nintendo Switch version includes rewind, save, load and other added features for smoother gameplay, plus the ability to connect to a TV screen for a bigger, bolder view of the gorgeous world.

Keep an eye out for new titles from Voltage Inc., coming to a Nintendo Switch near you soon!

Check out the Hit-Selling Switch Original: even if TEMPEST!

Summary:

In a world where witch trials and witch hunts are commonplace.

Though born the daughter of a marquess, the heroine suffers physical and spiritual violence at the hands of her stepmother day in and day out. In the midst of her suffering, a witch offers her a terrific power

The Fatal Rewind.

Through death, she can go back in time. And though she succeeds in changing her life, she invites upon herself an even greater tragedy.

The curtain rises on the Carnival, and this witch trial shall herald the end.
